CDOGGR Class II Program Review-- Contract No. EP-C-08-018 Workplan Assignment No. 1-08a1: R9 Tech Support for Implementation of the UIC Program -- Task II - Special Project and Technical Reviews
Subject:

Hi Mark -

Attached are a task request to conduct a program review of the California Division of Oil, Gas and Geothermal Resources (DOGGR) Class II UIC Program, which falls under Contract No. EP-C-08-018 Workplan Assignment No. 1-08a1: R9 Tech Support for Implementation of the UIC Program -- Task II - Special Studies and Technical Reviews, and several supporting documents.

I have set up a conference call on Tuesday, April 13th from 10 am to 11:30 am PT to have a project 'kick-off' discussion. At this call, we would like to get your initial feedback on developing the approach to conduct the program evaluation and provide, prior to the call, a brief outline of the proposed approach. Please note that at this point we would like to cap the level of effort on this task at 12 - 15 hours until we talk on the 13th.

If you have any questions re: this task request or on any of the attachments, please feel free to contact me. Also, I plan to call you and Jim on the 13th. Please provide me phone numbers to call you at.

Thanks.

Kate
